

# Certificate

Within a certification audit the organization

Atotech Deutschland GmbH & Co. KG

at the location

Erasmusstrasse 20, 10553 Berlin, Germany

and further locations according to the appendix

has proved that a quality management system was established and is successfully applied in accordance with the requirements of the international standard

## ISO 9001

Issue of September 2015

for the following activity

**Research and development, production, TechCenter operation, sales and service of chemistry and equipment for printed circuit board, package substrate and semiconductor manufacturing as well as decorative and functional surface finishing, production of detergents**

This certificate was initially issued on 11/18/2021, last modified on 01/12/2022 and is valid until 04/26/2024.
