## Customer reference list

Customer	Substrates Processed	Appliance Type	Application/ Finish	Process(es) / Product(s)
European OEM USA	Steel	Cooking ovens	Enamel Liquid paint Powder paint	UniPrep® 310 Interlox® 5707
European OEM Germany	Steel	Cooking ovens	Enamel	UniPrep® 310
North American OEM Poland	Steel	Cooking ovens	Enamel Powder paint Rack cleaning	UniPrep® SP 1 (EU) UniPrep® PRO Master Remover® 4500
European OEM Poland	Steel Aluminum	Cooking ovens	Enamel Powder paint	UniPrep® SP 110 LL Interlox® 5707
North American Tier 1 USA	Galvanized steel Steel	Cooking ovens Residential laundry	Part reclamation Powder paint	Master Remover® 7000
European OEM Poland	Galvanized steel Steel	Exhaust hoods	Powder paint	UniPrep® SP 210 LL Interlox® 5707
Asian OEM Thailand	Galvanized steels Stainless steel	Microwaves	Powder paint	UniPrep® SP 1 (EU)* Interlox® 5707
European OEM Russia	Steel	Refrigerators	Powder paint Ecoat	UniSpray H Interlox® 5707
North American OEM Brazil	Steel	Refrigerators	Powder Paint	UniPrep® 310 Interlox® 5707

\* Atotech defines the white goods industry as household appliances (ovens, refrigerators, microwaves, dishwashers, washers, dryers, etc.) as well as hot water heaters, air/con and electrical enclosures. These products are predominantly characterized as stamped sheet metal components with little to no welding. The customer references above highlight OEM and Tier 1 white goods manufacturers that have realized the benefits of Atotech process for their paint pretreatment and paint removal applications
